Executive Summary

Meridian Capital Advisors is pleased to present Hillcrest Gardens Apartments, a 48-unit garden-style multifamily community located at 4820 Juniper Street, San Diego, CA 92104, in the heart of San Diego's North Park / Hillcrest corridor. Built in 1987 and selectively renovated in 2019, the property comprises 41,280 rentable square feet across three residential buildings on a 1.38-acre parcel, with 62 surface parking spaces. The property is zoned RM-2-5.

The offering represents a rare opportunity to acquire a stabilized asset with proven rental upside: current occupancy is 94% and in-place rents average approximately 7% below market, providing a clear path to organic revenue growth through the natural lease cycle.

Investment Highlights

- In-place rents approximately 7% below market — embedded loss-to-lease upside through natural turnover
- 20 units fully renovated in 2019 with quartz countertops, vinyl plank flooring, and stainless appliances — 28 classic units remain for a value-add program
- Walkable North Park / Hillcrest location: Walk Score 91, three blocks to the 30th Street restaurant corridor
- Strong submarket fundamentals: North Park multifamily occupancy has averaged above 95% for the past five years
- Stable operations: trailing-twelve NOI of approximately $695,000 at a 6.3% capitalization rate on the asking price

Property Description

Unit mix consists of 24 one-bedroom/one-bath units averaging 720 SF, 8 two-bedroom/one-bath units averaging 900 SF, and 16 two-bedroom/two-bath units averaging 1,050 SF. Community amenities include a landscaped central courtyard, on-site laundry facilities in each building, gated surface parking, and private patios or balconies in select units.

Financial Overview

The property generated trailing-twelve-month effective gross income of approximately $1,164,000 against operating expenses of approximately $472,000, producing net operating income of approximately $695,000. Current physical occupancy is 94%. Other income streams include utility reimbursements (RUBS) and on-site laundry.

At the asking price of $10,950,000, the offering reflects a 6.3% cap rate on trailing financials, $228,125 per unit, and $265 per rentable square foot.

Market Overview

North Park and Hillcrest are among San Diego's most sought-after urban neighborhoods, anchored by the 30th Street corridor's nationally recognized restaurant and craft-brewery scene. The submarket draws young professionals from the nearby medical employment cluster (UC San Diego Health Hillcrest and Scripps Mercy, together over 8,000 employees within two miles).

Recent comparable sales include The Cordova (36 units, sold February 2026 at $242,000 per unit) and Palm & Oak Apartments (52 units, sold November 2025 at $221,500 per unit).
